NEW GOODS! NEW GOODS!!

AT

Creech's.

I MAKE MY BOW AGAIN TO MY NUMERous friends and patrons, with a house full of goods and still they come.

Why, just look, the streets filled with drays all loaded with new Good's

FOR CREECH'S.

Just received, 51 CASES OF DRY GOODS, containing a large and varied assortment; and when you talk about Dress Goods, and when you think of new styles and speak of Goods at the right prices, why, bear in mind that they are here and now opened at Creech's. COME AND LOOK AT THEM.

CALICOES, CALICOES.

I will sell you Calicoes at 8 cents a per yard; wont you look at them at 10 cents? and cant you afford to buy them at 12½.

Goods for Men's and Boy's Wear.

Don't you know that I keep the best assortment in the City? You that do not know it, come and look at them and to you that do know, come right along and buy what you want. I have got some for the boy's, plenty for the youth's. A fine supply for the young men and enough to keep the old gentlemen warm, so why not spend a few moments at Creech's and satisfy yourselves?

There the remote Bermudas ride,
In the Ocean's bosom unespied;
From a small boat that rowed a-long
The listning winds received the song,
COME TO CREECH'S.

Cloaks and Shawls, Cloaks and Shawls.

Did I say Cloaks and Shawls? That is just what I mean. Why I will sell them at from $2.00 to [illegible] them cheaper [illegible] quality. Cant find them? Do you want them finer? I am just the man that has them, 5, 7, 8, 10, 12, 15, 20, 25 and 30 dollars; do you want them finer still? Just say so, and I am the man to order them.

Boots and Shoes, Boots and Shoes.

Just received 100 Cases for Ladies, Misses, Boys and Children; so just put that naked foot into a boot or shoe, for it will soon be cold weather, and my friend, I see your boots are wearing out, and your shoes have a hole in them, so you had just as well come to Creech's and buy a new pair. They look better and fit better, any way; they keep your feet dry and preserve your health.

Hats, Hats, Hats.

All right; Prices right; Styles right; and did you know that Creech's is the place to buy hats right? Come and look.

Ladies' and Misses' trimmed and untrimmed Bonnets; Would you not do well to spare a few moments and come and look at them?

I beg leave to return my sincere thanks for the patronage I have received for the last 20 years at your hands, and I hope, by strict attention to business, representing goods as they are and in every instance giving you the worth of your money, to continue to share a liberal portion of your patronage.

A. CREECH.

THE SENTINEL

JOSIAH TURNER, Jr., EDITOR
JAMES H. MOORE, Assistant
and Local Editor.

TUESDAY, OCTOBER 25, 1870.

CONSERVATIVE CANDIDATE.
For House of Representatives.
DR. J. H. DUNN,
SPECIAL ELECTION 10TH NOVEMBER, NEXT.

OVERTHROW OF VIOLENCE.

For five long years the South has been governed by brute force and violence. This no man can deny who has been at all observant of passing events. The government has been ruled by a secret jacobinical society. In North Carolina the society has been out voted and overthrown. Henceforth violence and brute force will cease. The Governor at its head has violated every principle of constitutional liberty.

By falsehood and misrepresentation to the President, he has been induced to second the violence and brute force which Holden lately evoked to chastise the people of North Carolina. It is said that the President is so sore on the subject of sending troops to Caswell and Alamance, that he does not allow even his friends to talk with him on the subject.

When Holden's military monsters were violating all decency, humanity and law, and even hanging men by the neck, the Hon. Bedford Brown, took it upon himself to visit the President, and inform him of the true condition of things. The truth as told by Mr. Brown only aroused the anger of the misguided and deluded President. Having been deceived by Holden, Pearson, Abbott, Settle and Pool, the President is angered at himself for having lent a willing ear to these conspirators, who undertook to chastise and handle the people, by brute force instead of the Constitution and laws. These conspirators are now as feeble as they were furious in the long dog days of August last. Society is no longer in peril from these political maniacs; they with Kirk and Burgen have been overthrown.

The people of Caswell and Alamance upon whom they used the felon's chains and hangman's rope, now defy them and call aloud for their punishment, impeachment and disgrace. Public sentiment, the spirit of Americans, every where defies and despises them.

The President has at last discovered that visits to Long Branch and the exercise of brute force upon an unoffending people cannot render his administration sublime. Down with brute force and secret societies, for they are a curse, and lie under the condemnation of the people.

"LET THE WORK GO ON."

The military movement by Gov. Holden has been misrepresented and maligned.—The Governor has been severely censured and abused; many of his friends have manifested painful coolness and distrust. Censure on the part of his enemies is not to be expected, but friends should be candid and reserved in expressing disapproval.—*Standard, Sept. 17th.*

This is the Governor speaking for himself. The Committee from Wilmington, who waited on the President after the election, did so with a view of ascertaining if the President would "let the work go on," but the President said "no." Horace Greely and the *Tribune* said "no."

The Governor says in the article above quoted, that he has been "severely censured." True! That "many of his friends manifest painful coolness." True, indeed. If there is any Republican in this city who has not manifested "painful coolness" except Pilgrim Ashley and Mr. Samuel F. Phillips, we wish to know who he is. We heard of Secretary Menninger during the campaign, censuring the Governor for the "work" which Mr. Phillips was approving. It is commendable in Mr. Phillips that he does not curse the Governor for the "work," as do the Lieutenant Governor and other Radicals. If the Governor had succeeded in carrying the election by the sword and by brute force, Mr. Phillips would have praised and taken his share of the spoils. He is not among those who "look upon the Governor with "painful coldness and distrust," but he is buckling on his armor for the defence of his friend, the Governor, before the next Legislature where the Governor will stand impeached.

When Secretary Menninger, Gen. Dockery, Col. Dockery and the Lieut. Governor, denounce the policy of the Governor, Mr. Phillips will hardly be able to make a successful defence.

"Three hundred thousand dollars of capital have been withdrawn from a single city in North Carolina within two years. Yet Conservatives insanely cry, "Down with the carpet-baggers." How long will business endure this?—*Standard of Saturday.*

That is not the worst. Seven millions of capital in the shape of State bonds have been withdrawn from the Western division of the North Carolina Railroad; one hundred thousand dollars from the Treasury in the shape of bonds for a Penitentiary site on Deep River; four million dollars for the Western Railroad; a hundred and sixty thousand dollars in bonds to compromise the injunction suit against the Atlantic, Tennessee and Ohio Railroad; four or five hundred thousand dollars withdrawn from the people in the shape of special tax, besides hundreds and thousands of instances of withdrawing capital from the State, counties, cities, towns, Railroads and individuals, in most instances accompanied by the withdrawal of "carpet baggers," from the State, too. The money and the carpet baggers generally withdraw from the State together. Well may the *Standard*, afflicted by carpet baggers Ashley and Martindale, cry, "how long will business man endure this?"

GOV. HOLDEN IS HELD RESPONSIBLE FOR KIRK'S ACTS.—At the late term of Cleveland Superior Court, says the *Southern Home*—two actions for trespass were brought against Holden for outrages committed by Kirk's lambs whilst quartered here. One of these was for the illegal arrest of Dr Williams, and the other for violently taking bacon from Mr. Thomas Wells. These cases were to have been tried at this Court, but were deferred. Judge Olds, the modern edition of Lord Coke, came all the way from Raleigh to defend His Excellency. We learn that while Olds was Attorney General, the State paid out $25,000 to employ counsel he being unequal to the task. With the present Attorney General, we imagine that such a necessity will never occur. His Excellency might have saved the State this enormous sum by appointing a competent lawyer instead of a son-in law.—*Statesville American.*

The most of the defeated Radical candidates for Congress will, we infer from newspaper rumors, "contest" their opponents' rights to seats. This contesting business is perfectly safe in any legislative body in the United States composed of a majority of the representatives of "great moral ideas." They will always admit a brother, providing he is not black, whether he is or is not entitled to admission.—*N. Y. Express.*

INDIANA AND OHIO CONGRESSMEN.—The members of Congress elected in Indiana stand 5 democrats and 6 republicans—a democratic gain of one. In Ohio there is no change—the delegation consisting of 5 democrats and 14 republicans, the same as in the present Congress.

WASHINGTON COLLEGE.—The Petersburg Index learns that it is very probable that General G. W. Custis Lee, now a professor in the Virginia Military Institute, will be elected to succeed his father as president of Washington College, at Lexington, Va.

PREMIUM LIST.—We give to day a part of the list of premiums awarded at our *Fair* last week. We will give the balance to-morrow, and the whole will appear in the Semi-Weekly of Wednesday and the next number of the Weekly. It is too long for one issue of the Daily.

OFF FOR THE HONEYMOON.—As will be seen by reference to our "Marriage" head, another couple of our young folks have concluded to abandon the vain effort of seeking happiness in the misnamed paths of "single blessedness," and have formed a life partnership for the purpose of engaging in that universal pursuit. They have waited, after the ceremony, to see the winding up of the *Fair*, then with *fair* prospects for a happy trip, they will bid *farewell* to Raleigh, to-day, for a bridal tour, which will probably last a month. We wish them a pleasant time, as much happiness as they themselves anticipate, and a safe return.

TRUNK AND PAPERS FOUND.—An empty trunk with the lock cut off, and a parcel of papers apparently belonging to W. L. Meadows, Tally Ho, N. C., were found in a garden in this city on Saturday evening. The trunk had evidently been rifled of its contents; it has no name on it; the papers seem to be concerning revenue matters, and have been left at the revenue office in this city. Information of the trunk can be had by application at this office.

CAROLINA COUNCIL, Friends of Temperance, will hold a called meeting at Temperance Hall, this (Tuesday) evening at the usual hour.

HONEY.—Mr. Shultz, of the firm of Hunter and Shultz of Salem, had at the Fair sample hives of Italian bees and a considerable quantity of honey in frames, just as it came from the hives. Mr. Shultz left a quantity of this beautiful honey with Mr. E. O. Macy of this city to dispose of for him. Persons desiring to procure some for bad colds or to mix with distilled peach juice this winter, can obtain it by applying to Mr. Macy. We have been round and laid in our supply.

A PRETTY PIECE OF CABINET WORK.—Our townsman, Mr. Henry J. Brown, exhibited at the Fair, last week, a beautifully finished walnut bureau, made by him at his establishment in this city. We hope he will take time to prepare a larger number of home-made articles of household furniture by the next Fair.

SMOKING TOBACCO.—We can remember when smokers used to have to take a plug or twist of tobacco and, with a knife, do their own chopping, or take a leaf and dry it and then grind it up in the palm of the hand, before they could get it in proper trim for the pipe. Now we have it already cut, dried, bagged and taxed, ready for smoking without any of the old preliminary trouble.

Among the first of the manufactories in this State for putting up smoking tobacco, was that of J. R. Green & Co., of Durhams, now continued by W. T. Blackwell, who seem determined to keep up the reputation of the Durham Smoking Tobacco to the enviable height it has attained.

We understand that Mr. Blackwell is putting up this excellent brand of smoking tobacco in large quantities, and that the orders are coming in for it in an encouraging manner.

We learn that a handsome corner lot has been purchased by the Baptists immediately contigious to their church, on which it is proposed to erect a parsonage at an early day. We are glad to hear of this move in the right direction. The Methodist, Episcopal and Presbyterian churches each have a parsonage, and it is high time the Baptists had a home for their pastor.

We hope they will build a house that will correspond with their handsome church and be an ornament to the city.

PROCLAMATION.—President Grant has issued his proclamation appointing Thursday the 24th November as a day of thanksgiving and prayer for the bounties of Providence.

If you have sallow, color of skin, or yellowish brown spots on face or body, dullness, drowsiness, frequent headache or dizziness, bad taste in mouth, tongue coated, internal heat, unsteady appetite, low spirits, gloomy forebodings, you are suffering from liver complaint or biliousness, and nothing else will relieve and cure you so speedily and permanently as Dr. Pierce's Alt. Ext, or Golden Medical Discovery. Sold by druggists. A pamphlet sent free. Address Dr. R. V. Pierce, Buffalo, N. Y.
oct 25-eod1w

A UNIVERSAL SURPRISE.—Nobody believed before the introduction of PHALON'S VITALIA, or SALVATION FOR THE HAIR, in the possibility of a preparation for reviving the natural color of gray hair, as clear and transparent as the atmosphere, and as limpid as alcohol. Everybody believes it now. The old nostrums are discarded, and the Vitalia is admitted to be a perfect success. Sold by all druggists and fancy goods dealers.

WHAT IS THE MATTER?

We stated in our last that the private Stockholders of the Wil., Char. and Ruth. Railroad, at the meeting at Wilmington, claiming that the action of the Legislature had placed the Road in the hands of the Stockholders, had thrown Holden and Sloan overboard, had ignored the State Directors appointed by Holden, and elected nine of their own, who had elected Mr. Martin, President and Col. Fremont, Superintendent. The State Directors afterwards organized and re-appointed the old officers.

This will involve litigation, which may retard the prosecution of the work. The people are anxious for its completion. But when will anything be done, if men who lack capacity and integrity are kept in position, as Holden is inclined to do? There were strong reasons for the removal of Sloan, no matter who controls the Road.

It has been rumored that the *Standard* had determined to cut loose from Holden, and its comments on the action of the Stockholders of this Road, look very much like it.

TO BE DEFERRED.

We learn that a carpet bagger has suggested, that the special election appointed by the Governor on the 10th of November next, be deferred.

Carpet bagger Laflin suggested to the Governor not to issue a writ of election for Pitt county, when Senator Rich died, and the Governor took the suggestion. The county was unrepresented for several months.

Look out for a postponement of the election. The carpet baggers must be appeased.

FIGHTING PARSON SINCLAIR.—This corrupt and contemptible creature, who bears the name of respectable gentlemen, has relatives in the State whose feelings he has outraged, seems determined to make himself still more vile and odious, by creating a muss in Robeson. He seems to be an open defender and protector of the desperadoes in that County, who have for so long a time been committing their depredations upon the unoffending people of Robeson. The editor of the *Robesonian* commented upon his infamous conduct as it deserved, and he has in imitation of Chief Justice Pearson, arrested the editor, for contempt of Court, Sinclair being an unworthy Justice of the Peace of that County. He threatens to arrest many good citizens and eat up his shines generally. He deserves Bergen's fate.

AN INGENIOUS LITTLE GIRL.—There was a quilt exhibited at our Fair last week, the pieces of which were regularly arranged and neatly sewed together, the work of a little girl, Miss Georgia Enlery of Goldsboro, only five years old. Some gentlemen were so struck with the beauty and neatness of the work, for one so young, that they started a subscription to raise her a handsome premium. We hope they succeeded in making it a good one.

DISCREDITABLE IF TRUE.—We have been informed that during the Fair last week, all the Barbers of the city, except Prempert, by agreement, put up the price of shaving to 25 cents to visitors. If this be true, as we are informed it is, it is shameful and ought to be severely censured by the public. There is no way to make the city a place to be shunned and abused more certain than the practice of such little petty meannesses, whether practiced by Barbers or others.

CHANGE OF TROOPS.—The 8th U. S. Infantry, under the command of Col. Franks, which has been stationed in this State for some time, has been ordered to New York city, and the 4th U. S. Artillery, Maj. Smith commanding, takes its place. The head quarters of Maj. Smith are changed from Yanceyville to Raleigh. Col. Franks and his command have borne themselves well in the State and many part with them with regret. Maj. Smith and his command will however, be equally acceptable. The people of Caswell speak well of them. If we must have troops in the State we prefer U. S. troops, such as we have had; but there is no need of any, as every U. S. officer will say, who has been among us. If we had had a sound, intelligent State government rightly administered by the Executive and judicial officers of the State, all would have been peace and prosperity, but rottenness and imbecility and partizan rancour in Executive and judicial officers, will always produce discontent and trouble.

The Rev. M. T. Yates, who has been for twenty-six years a Missionary of the Baptist Church in China, is now on a visit to his relatives in N. C. He reached Raleigh last evening from Richmond and will probably remain in the State till after the session of the Baptist State Convention.

Mr. Yates is a native of Chatham, and is said to be the ablest foreign missionary who speaks and writes the Asiatic language.

GOOD PENS.—There is nothing that makes one feel more like biting his lip to prevent ugly words coming out of his mouth than trying to write with a pen that scratches and spatters and slips along without making a mark, especially when he wants to "do his prettiest," or write a note in a hurry.

A good pen is, therefore, a very good thing, and its use conducive to the practice of piety.

Edward Fasnach, just above the State National Bank, makes pens, especially good gold pens, a specialty. He has a large lot of them on hand and sells them at a moderate price. We commend any one desiring to purchase a good, reliable gold pen, to give Mr. Fasnach a call.

THE EARTHQUAKE.—The earthquake which was felt North on Thursday last, about the time we experienced in this section a storm of rain, was felt generally in Canada and in the States bordering on the lakes. No one was hurt.

REV. DR. MUNSEY.—We learn that the Rev. Dr. W. E. Munsey, has accepted a call to the pastorate of the Central Methodist Church in Baltimore, and will at once enter his new field of labor.—*Lynchburg News.*

FIRE GRATES.—We mentioned a fire grate on exhibition at the Fair Grounds, last week, cast at the Brass and Iron Foundry of B. P. Williamson, for Mr. J. R. Gales, the proprietor, of this city. We have one of these grates in use and from our experience with it, do most unhesitatingly recommend it in place of the andirons in common use, for convenience, safety and cleanliness. A fire can be kindled on it much more easily and quickly than on a hearth in the usual way; there is no danger of the fire rolling down and burning the floor, thus avoiding the necessity of a fender, and the feet of the grate can be more easily swept around than the feet of andirons.—To crown the whole, the price is but little if any above that of a good substantial pair of andirons. We recommend it to the attention of house keepers as a *good thing.*

IMMIGRATION.—The Governors of Wisconsin, Minnesota, Iowa, Nebraska, Kansas, Missouri and Michigan have united in calling a Convention at Indianapolis, on the 24th November to promote immigration. Why cannot the Governors of the Southern States do the same? If the tide of immigration is ever turned Southward the Southern States and people must move in the matter in a body.

The following is the report of the Committee, on flour exhibited by Mr. A. Oldham of Wilmington, at our Fair, last week. We give it in a separate paragraph, because it had not been copied into the premium book at the time of copying the list:

The Judges respectfully call attention to the fact that a barrel of flour, manufactured at Cape Fear Mills, Wilmington, N. C., and exhibited by A. Oldham, without certificate of having been made of 5 bushels of wheat with entire product exhibited, deserve special mention, and if such statement had been required by the premium list, might have taken the premium.—In the absence of such requirement, the Committee have awarded the premium without regard to the quantity of wheat used in making the best barrel of flour on exhibition.

His improvement in milling deserves special commendation and imitation.

Monday Evening Dispatches.

WASHINGTON.

WASHINGTON, Oct. 24.—A correspondent of the *Tribune* says that the highest authority of the British government have concluded that the time had arrived for making another effort at an armistice. Bismarck favors an armistice for the convocation of the constituent assembly but insists that an armistice must involve an impracticable basis for peace. There is but a chance that the present effort may produce a suspension of hostilities.

The *World's* special says that Gladstone and Granville spent a whole day with the Prussian, Austrian and Italian ambassadors, and Gen. Boyer, who came recently from Metz. Boyer had visited Napoleon's Secretary and the Empress. It is reported that the Emperor and Empress, the King and Bismarck, agreed upon a project for peace, involving six thousand millions of francs, in cattle, horses, grain, wine and oil to Prussia, with no cession of territory, unless Alsace votes for annexation. Bazaine in leaving Metz proclaimed the Prince Imperial, Emperor and Eugenie as Regent.

It is added that a solution depends absolutely upon King William's acceptance of the proposition insisted upon by the Powers that the cession of Alsace must be determined by the people. The project also involves the dismantlement of the fortresses in Eastern France. It is rumored that if Prussia objects to a plebiscite in Alsace, the Powers will compel Prussia to withdraw from France.

FOREIGN.

TOURS, Oct. 24.—Keratry has gone to Brittany. The Bank of France is now located at Bordeaux, where it will remain during the war.

Over a hundred thousand National guardes have responded to Trochu's call for sortie volunteers.

The Prussians entered Nanges and Looterseaux, and evacuated Meung and Baugency. The fire from the Paris forts continue to destroy the Prussian works. The Prussians have established a first parallel within 400 paces of the French works at Schoestadt. The Prussians occupy Chartres.

It is rumored that the French captured three large German steamers.

There is no evidence that Napoleon has accumulated a vast private fortune.

The *Standard* notices, vigorously, Bismarck's attention to everything American and his neglect to everything English.

The *Telegraph* is confident that the proposed French loan will be quickly taken.

It is rumored that while Russia withholds co-operation with England, Austria and Italy in peace negotiations, she is acting independently but energetically in the same direction.

FLORENCE, Oct. 24.—The *Opinion*, in referring to the proposed armistice says that France will agree to the dismantlement of Metz and Strasburg, and the payment of 80 millions sterling as a preliminary to peace, but Prussia insists upon a cession of Alsace and Loraine.

FOREIGN.

BERLIN, Oct. 24.—The French fleet seem to have withdrawn to Havre and other French ports. There are accounts in the journals of many cold blooded murders at the capture of Soissons. A dispatch from Rouen says the men, women and children of Bezy are rising against the Prussians. There are several reports in regard to the movements of the Prussians; some reports of Prussian defeats with heavy loss.

PAIN KILLER. PERRY DAVIS & SON, PROVIDENCE, R. I. 1840 1870

THE PAIN KILLER.

This celebrated medicine has won a deservedly high reputation as an alleviator of pain and a preserver of health. It has become a household remedy, from the fact that it gives immediate and permanent relief. It is a purely vegetable preparation, made from the best and purest materials, safe to keep and to use in every family. It is recommended by physicians and persons of all classes, and to-day, after a public trial of thirty years—the average life of man—it stands unrivalled and unexcelled, spreading its usefulness over the wide world. Its large and increasing sale affords positive evidence of its enduring fame. We do not deem it necessary to say much in its favor as one small bottle will do more to convince you of its efficacy than all the advertisements in the world. Give it one fair trial and you would not be without it for ten times its cost.

Directions accompany each bottle.

The Equitable

LIFE ASSURANCE SOCIETY OF THE UNITED STATES

120 BROADWAY, NEW YORK.

BURROUGHS & SPRINGS,
GENERAL AGENTS,

CHARLOTTE, N. C.

TWENTY-ONE REASONS FOR PREFERRING THIS COMPANY TO ALL OTHERS.

1. Its cash assets are upwards of $13,000,000.00 and constantly increasing.
2. None of this is made up of promissory notes as in many Companies.
3. Its cash income per annum is over $6,500,000.00 and steadily growing larger.
4. None of this is composed of the notes-of-hand of policy-holders, as the case in many companies.
5. It has paid to widows and orphans, and other claimants under policies on deceased members, about $4,000,000.
6. Such payments are made in cash, and not partly in cancelled notes, as is the case in many companies.
7. No deductions are made from the face of a policy for premium notes when it becomes a claim, as is the case in all Note Companies.
8. The sum of $1,300,000, and upwards, in cash divided among policy-holders, (this included the dividend for the present year), as profits of the business.
9. All the profits of the business are annually divided among the assured Equitably, instead of being wholly or partially distributed among the stockholders, as is the case in all "Mixed" and Proprietary Companies.
10. Dividends are invariably available as cash in payment of premiums.
11. The dividends are made from the start, and not postponed until after the lapse of several years, as in many Companies.
12. The Society deals Equitably with its policy-holders.
13. The Equitable has made more progress since its organization than any other Life Company in the world.
14. Its risks have been so carefully selected and its dealing so equitable, that it has never been obliged to contest the payment of a claim at law.
15. Its modes of applying dividends are more numerous and more advantageous than those of any other company in the world.
16. It issues all the popular styles of policy, including "Ten Year Non-Forfeiting" and "Endowment policies."
17. The amount of new business during the year ending December 1, 1869, was $51,021,181.00.
18. Its policies average larger in amount than those of any other company, showing that capitalists select the Equitable for purposes of investment.
19. The profits of the business are apportioned to the assured on the "Contribution Plan," which is conceded to be the only equitable mode of division, and not by the rule adopted by many companies, which is grossly unjust to a large proportion of the policy-holders.
20. It is as liberal in the conduct of its business as is consistent with safety to the assured, and does not sacrifice proper caution to an ambition to increase the nominal amount of its business as is the case with many new companies.
21. It is the favorite company in the United States, as is shown by its new business for last year, being nearly $13,000,000 greater than any other company.

NOTICE TO CAPITALISTS.

I SHALL Proceed to sell to the highest bidder for cash, at the Court House door in the Town of Louisburg, on the 1st Monday in November next, it being the 7th day of the month, some Twenty or Twenty-five Thousand Acres of valuable Land, among which is the well known Portis Gold Mine, lying in Franklin county on the waters of Fishing and Shocco creeks, containing nine hundred thirty-three and one-third (933⅓) acres together with all the Machinery and appurtenances.

Also, all the chattle property. This property is so well known that any particular description is deemed unnecessary. The entire tract is rich in Gold, and all the difficulty is a full supply of water. We are informed that an Independent Water Company is now surveying a ditch from Sandy Creek, to supply this and other Mines in the neighborhood with water. When this is done and it will be accomplished in a few weeks, this property will be immensely valuable. The property will be sold for cash and unless parties from a distance come in competition, it must be greatly sacrificed.

SUCCEEDS HIS FATHER IN THE AGENCY OF THE

NATIONAL LIFE INSURANCE CO., U. S. A.

For the Central and Northern Counties in

NORTH CAROLINA.

The NATIONAL, under the management of his father, P. F. Pescud, Sr., secured very many warm friends who obtained policies for large amounts, and the fact that it has issued upwards of

10.000 POLICIES,

and nearly doubled its immense Capital of $1,000,000

in about two years, speaks more for its wonderful popularity than any language at my command. The rates being based on the Stock Plan, and when contrasted with Mutual Cash rates, are so much lower, that a certain and handsome dividend is secured from the date of the Policy.

I will be gratified to take applications from my friends and all wanting Policies, and shall want many active and reliable Agents, in the fields assigned me.

FOR THE IMPROVED

"UTLEY COTTON PRESS."

THE "UTLEY PRESS" so well known, and which gave entire satisfaction last season, can be obtained of me at Raleigh, or my Agents, Messrs. Mitchell, Allen, & Co., Newbern, with its improvements.

Price $175.00.

This invention of power, whereby all friction is overcome, its simplicity economy and durability, astonishes all who see it; and the more so, that a power so simple should have remained so long unappropriated. The strain is wholly borne by the Bed Plate, Follower Block, and two 1¼ inch square iron bars, which is capable of sustaining a strain of 190,000 lbs. Thus giving much more strength than is required. WITH THIS PRESS TWO MEN CAN PACK A BALE OF COTTON WITH EASE IN EIGHT MINUTES WEIGHING FROM 400 to 550 lbs.

One man can do the work, only requiring longer time.

It occupies a very small space, and can be so placed as to receive the lint direct from the Gin or Lint Room, as may be desired. Thus doing away with baskets, and frequent handling of the lint.

It is light in weight, can be taken down or put up in 30 minutes and transported on a two Horse Wagon.

I believe it unequalled by any Press for power, convenience and durability.

Press complete—Depth Cotton Box 8 feet · Size Bale 4½ feet x20x28 inches; wt. Bale 400 to 550 lbs.

No more Smoke!—No more Grease!

No more Fires!!

EVERYBODY PREFERS IT AFTER GIVING IT A TRIAL!

IT costs less!—It lasts longer!—Gives a more Brilliant Light!—May be burned in hand lamps, without chimney.

Guaranteed to make a better and safer Light than Coal Oil and to be NON EXPLOSIVE!!!

No accidents have ever happened with it.

Protected by Copy right for 20 years from May 8th 1868.

The above Fluid has been in constant use for upwards of three years, and has sustained its unrivalled reputation, as a brilliant, non-explosive illuminating agent, though subjected to the severest tests. Being universally conceded to be superior to Kerosene or Coal Oil. It makes a better light and more of it, than any other illuminating compound. Soft, clear, steady and uninjurious to the eyes. All that is asked is, a fair and impartial trial.

Among the numerous testimonials received read the following:

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.
